White Plains, NY 10601

Re: Alexander Moreno  
Case No. 14-22955-rdd  
Loan No. ...5985

Dear Judge Drain:

Please allow this letter to serve as a written status report and supplementary detailed letter, submitted on behalf of Wells Fargo Bank, N.A. (the "Servicer") pursuant to the Southern District of New York Loss Mitigation Program Procedures setting forth the financial inconsistencies that were discovered during the prolonged loss mitigation effort on the above-captioned matter.

The most recent denial of the Debtor's loan modification application was by a letter issued by the Servicer dated April 12, 2016. The Debtor's appeal of the decision was denied by letter dated May 3, 2016. The relevant denial and appeal denial letters are attached hereto as the **Exhibit "1."** As per the Servicer, the reason for the denial are the financial inconsistencies in the Debtor's application. A detailed depiction is provided below.

#### The Debtor's Affidavit

On October 27, 2015, the Debtor filed an affidavit regarding loss mitigation with this Court. See *Docket No. 42*. Attached hereto as **Exhibit A** is a copy said affidavit signed by the Debtor swearing under the penalty of perjury that he does not have any ownership interest in Edward L. Grant Corporation, that his paystubs are accurate and reflect his proper year to date income, the payroll account is now being handled by 'Benefit Mall,' and an amendment was filed for the 2014 W-2 to match the 2014 tax returns. In the above context, an analysis of the previously submitted documentation as well as the more recent documentation provided for loss mitigation is appropriate.

#### The Debtor's Ownership of Business

During the review process, the Debtor was queried on his ownership interest on a business named Edward L. Grant Corp. The Debtor advised that he is merely an employee of the business. Public Records that were reviewed as part of the Secured Creditor's status letter filed on October 13, 2015 had Mr. Moreno as the Chief Executive Officer of Edward L. Grant Corp. See **Exhibit B** attached. A search of the public records in conjunction with this letter indicate that the chief executive officer's name has been changed to Merkis Ruiz and the Debtor's name has now been removed.

As per the Servicer, Mr. Moreno had submitted tax returns for the years 2008, 2009, 2011, 2012, and 2013 as part of loss mitigation reviews. As per the Servicer, each year provides a variance in ownership of different businesses. As per the Servicer, the 2009 tax returns depict multiple car wash operations. Attached hereto as **Exhibit C** (only relevant schedules are attached) are copies of the 2009, 2012, and 2013 tax returns as submitted by the Debtor. The Court should note that the Debtor only claims \$13,400.00 in income in the 2009 tax returns, \$15,600.00 for the tax years 2012 and 2013.

As per the Servicer, the 2011 tax returns showed that Edward L. Grant Corporation is a business that the Debtor owned. Additionally, as per the Servicer as part of a review concluded on 03/18/2015, the Debtor even submitted bank statements and profit and loss statements for Edward L. Grant Corp. Attached hereto as **Exhibit D** is a hardship letter submitted by the Debtor that mentions a car wash operation, which the Secured Creditor understood to be Edward L. Grant Corp. Also attached hereto, as **Exhibit E**, are copies of the bank statements and profit and loss statements submitted by the Debtor in relation to Edward L. Grant Corp. The Court should further note that the Debtor filed an application for an extension of time to file certain business income tax, information, and other returns for the year 2012 1120 tax returns for Edward L. Grant Corp. Said application is attached hereto as **Exhibit F**. Hence, the Servicer is faced with the conflicting situation in which the Debtor states under penalty of perjury that he never had an ownership interest in Edward L. Grant Corp, and is merely a manager within same corporation, and yet, at the very least, files important tax documents such as requests for extensions of time to file returns for the same corporation.

#### Self-Employment v. Payroll Income

It is respectfully submitted that with the mass of varying and changing information provided by the Debtor, it is indecipherable as to what the Debtor's income in fact is. The information is being presented in outline format for ease of understanding:

- As per the Servicer, in the previous review, the Debtor had submitted that he did not receive 1099 or self-employment income of any kind and letter of explanation provided by his attorney (Raymond W. Verdi, Esq.) on November 20, 2014 stated the same, and that he was a salaried employee being paid on a W-2 basis. In addition, the Debtor had submitted a 2014 W-2 form from Edward L Grant Corporation showing an income of \$13,800.00. Said W2 is attached hereto as **Exhibit G**.
- The unsigned amended 2014 tax return submitted by the Debtor as part of his Affidavit shows wage income of \$21,770.00. Said tax return is attached hereto as **Exhibit H**. The Servicer asked for explanation for obvious discrepancy in income amounts, and on December 7, 2015 an updated W-2 with wage income matching the amended 2014 tax returns was submitted. See **Exhibit I**. Additionally the Debtor submits a 1099 for the year 2014 depicting other income being received from Edward L. Grant Corp in the amount of \$31,030.00, which in turn is attached as **Exhibit J**. The Debtor supplied an additional letter of explanation stating that his income changed in 2014 from being a 1099 employee to a W-2 employee due to his promotion to Manager of Edward L. Grant Corp, and said change is the reason for having both 1099 and W-2 income present on his 2014 tax returns. The Debtor also stated that it was an accountant's error that resulted in the 2014 tax returns being inaccurate as earlier filed. Attached as **Exhibits K** are the relevant letters of explanations provided by Mr. Moreno on December 7, 2015. This theme of alleged accounting errors repeat itself.
- A letter of explanation was received on March 10, 2016 from Silverstein & Company and signed by Gerald R. Fox (the Debtor's accountant), stating that Benefit Mall payroll company "put \$13,000 as commission for Mr. Moreno in 2015" and that it had been corrected. The relevant letter is attached hereto as **Exhibit L**. The Debtor also provides a new 2015 1099 from Edward L. Grant Corp., attached

hereto as **Exhibit M** that depicts \$86,100.00 income for the year 2015. The 1099 provided for the year 2015 is inconsistent with the realities as expressed in the explanation letters attached as Exhibits K which essentially state that he has been a W-2 employee since the year 2014.

- Upon receipt of 2015 1099, the servicer requested a profit and loss statement for the 1099 income for the year 2015 along with a request for Debtor's 2015 W-2 and a letter of explanation as to the employment status discrepancies. On March 16, 2016 the Servicer received a letter of explanation signed by Merkis Luis stating that Mr. Moreno had been employed since 2010, is currently the General Manager, and that he is paid \$100,000.00 annually. Said letter is attached hereto as **Exhibit N**. As per the Servicer, Debtor provided another letter of explanation on March 22, 2016, attached hereto as **Exhibit O**, stating that whenever he passes his quota and receives bonus income in 2016, it will be claimed as 1099 income instead of salary.
  
- The Profit and loss statement for the Debtor related to the 1099 income received for year ending December 31, 2015 was submitted on March 30, 2016 and sets forth Gross Profits of \$100,094.00, itemized expenses of \$18,840.00, and net Income of \$81,254.00. The relevant profit and loss statement is attached as **Exhibit P**. On its face, the profit and loss statement shows a different gross income than what was provided on the 2015 1099 submitted by Debtor as Exhibit M. Additionally, the profit and loss statement also lists expenses that are more in line with expenses of the owner of a business, rather than an employee or even general manager.

The Servicer finds that the documentation and correspondence provided from the Debtor is inconsistent and suspect in nature. Due to the many changes in Mr. Moreno's employment status, tax filing status, and documents provided, a favorable decision cannot be rendered on the Debtor's loss mitigation review.

#### The Debtor's Paystubs

##### The Year 2014

Attached hereto as **Exhibit Q** are copies of one paystub dated 07/17/2014 (\$1600.00 in income) and three paystubs dated 08/28/2014 (\$1650.00 per pay stub in income) all with sequential numbers. Additional paystubs were provided by the Debtor on November 20, 2014. All 6 paystubs dated 11/17/2014, attached hereto as **Exhibit R** shows the same pattern of sequential paystubs repeated. Additionally, the paystub among those with the most recent pay period shows a year to date income ending 11/09/2014 in the amount of \$30,440.00 and a weekly pay of \$1615.00. However, the Debtor's 2014 W-2 show an inconsistent year to date income of \$13,800.00. See **Exhibit S** attached. The Court should note that all the paystubs in Exhibits R and S appear to be signed by the Debtor.

##### The Year 2015

Attached hereto as **Exhibit T** are copies of the 03/08/2015, 03/15/2015, 03/22/2015, and 03/29/2015 checks that were submitted all in the exact amount of \$2100.00 and sequential. No deductions of any kind are depicted on the checks. Subsequent paycheck submissions are attached hereto as **Exhibit U**, which in turn show a different amount of weekly salary in the amount of \$2300.00 with the most recent paystub within Exhibit U for the week ending May 10, 2015 showing a year to date income of only \$7050.00, which in turn does not arithmetically correspond to an individual making \$2300.00 in gross income a week. On May 21, 2015 a letter of explanation was provided by Merkis Luis stating that Mr. Moreno is a level one manager making \$2300.00 per week. On December 7, 2015, paystubs with the check date 11/27/2015 and 11/18/2015 were submitted to the servicer showing pay rate of \$50.00 hour and a current income of \$2000 for each paycheck and a year to date income of only \$12,025.00 is provided on the 11/27/2015 paystub, shown as **Exhibit V**. It is respectfully submitted that the pay information is inconsistent.

The Year 2016

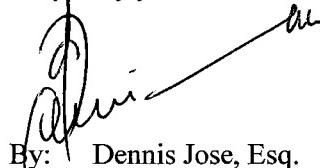

The Debtor submitted paystub number 5021 with the check date of 01/22/2016 with a current income of \$1949.10 and year to date total of \$3898.00. Two additional paystubs were submitted dated 03/25/2016, and 03/29/2016 with check numbers 5022 and 5023 which are sequential to the 01/22/2016 paystub. Said paystubs seemed to show that the borrower did not receive any income from 01/22/2016 to 03/25/2016 as the year to date total on the paystub of 03/25/2016 increased only by 1900.00. Additionally, the checks also show another change in pay from \$1949.10 to \$1900 a week, and an additional change on a later submitted 03/29/2016 paystub which shows \$7600 for the last week in March 2016 and year to date income of \$13,398.20. The relevant paystubs are attached hereto as **Exhibit W**.

The Servicer sought clarifications from the Debtor and the Debtor provided a letter of explanation on 03/22/2016 attached earlier as Exhibit O. However, said letter further complicates the situation in that the explanation in the letter that there is 1099 income in the form of bonus in the checks provided conflicts with the very nature of the paystubs themselves which show payroll deductions.

Additionally, as per the Servicer, the entries in the 09/08/2015 through 02/07/2016 bank statements that have been provided by the Debtor do not validate the payroll or 1099 income claimed by the Debtor. The relevant bank statements referenced are attached hereto as **Exhibit X**.

It is respectfully submitted that the Debtors loss mitigation submissions can again be charitably described as inconsistent and suspect. The Secured Creditor requests that loss mitigation be terminated. If there are any questions, this writer can be contacted directly at 716-204-1781.

Very truly yours,

within 30 calendar days from the date of this letter, we will review the decision based on the information we have at that time.

**Talk to me about your other options**

We have options available to help you avoid a foreclosure. You are eligible for a short sale and deed in lieu of foreclosure provided you meet the requirements.

If you're interested in staying in your home, you may be eligible for help through a different assistance program. If you are eligible for an alternative assistance option, we will review your information and we will notify you separately of the result of that review.

**Other options you may be interested in:** If the amount you owe on your mortgage is higher than what you think you can sell your house for, you may want to consider what is known as a "short sale." This option could allow you to list your home for sale, for an amount that is less than you owe.

During the short sale process, you'll need to submit documentation to us that we will evaluate. For example, a short sale requires a purchase contract. Once we receive a purchase contract America's Servicing Company will review the terms of the contract and obtain the appraised value of the property.

If you are interested in a short sale, contact me right away. I can help explain the short sale process, guidelines and your eligibility.

If you are unable to sell your home or find a short sale is not the right alternative to foreclosure for you, another option to consider might be a deed in lieu of foreclosure, sometimes referred to as a Mortgage Release. If you are interested in a deed in lieu of foreclosure, please contact me right away so we can determine your eligibility and coordinate an appraisal and inspection of your property.

Keep in mind, if you accept a deed in lieu of foreclosure, you must agree to vacate the property within

Subject: Decision on your loan modification and next steps

Dear Alex Moreno:

In response to your appeal request, we have completed a careful review of the decision we made about your mortgage.

## Here's what we found

After carefully reviewing the information we currently have, we have determined that you still do not meet the requirements for a loan modification.

**Talk to me about your other options**

We have options available to help you avoid a foreclosure. You are eligible for a short sale and deed in lieu of foreclosure provided you meet the requirements.

If the amount you owe on your mortgage is higher than what you think you can sell your house for, you may want to consider what is known as a "short sale." This option allows you to list your home for sale, for an amount that is less than you owe.

During the short sale process, you'll need to submit documentation to us that we will evaluate. For example, a short sale requires a purchase contract. Once we receive a purchase contract America's Servicing Company will review the terms of the contract and obtain the appraised value of the property.

**Account Information**

Loan number: [REDACTED]

Property address: 62 Priscilla Ave  
Yonkers NY 10710

If you are interested in a short sale, contact me right away. I can help explain the short sale process, guidelines and your eligibility.

If you are unable to sell your home or find a short sale is not the right alternative to foreclosure for you, another option to consider might be a deed in lieu of foreclosure, sometimes referred to as a Mortgage Release. If you are interested in a deed in lieu of foreclosure, please contact me right away so we can determine your eligibility and coordinate an appraisal and inspection of your property.

Keep in mind, if you accept a deed in lieu of foreclosure, you must agree to vacate the property within an agreed upon time.

**We're here for you**

If you have any questions about your reviewed decision, or want to discuss other options to avoid foreclosure, please call the phone number below.

Sincerely,

**Get free counseling to help manage expenses and avoid foreclosure.**

Reach out to a local HUD-approved, non-profit housing counseling agency if you're struggling to keep up with monthly expenses, or want help to avoid foreclosure. At no cost, a counselor will work closely with you, providing the information and assistance you need. To find an agency near you, go to [www.hud.gov/offices/hsg/sfh/hce/fc](http://www.hud.gov/offices/hsg/sfh/hce/fc). Or call 1-800-569-4287 (TDD 1-800-877-8339). You can also call the HOPE hotline 1-888-995-HOPE (4673).

Be sure you avoid anyone who asks for a fee for counseling or a loan modification, or asks you to sign over the deed to your home, or to make your mortgage payments to anyone other than America's Servicing Company.

The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit applicants on the basis of race, color, religion, national origin, sex, marital status, age (provided the applicant has the capacity to enter into a binding contract); because all or part of the applicant's income derives from any public assistance program; or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act. The Federal agency that administers compliance with this law concerning this creditor is Bureau of Consumer Financial Protection, 1700 G Street NW, Washington DC 20006.

UNITED STATES BANKRUPTCY COURT  
SOUTHERN DISTRICT OF NEW YORK

In re:

Alexander Moreno,

**REGARDING**

Debtor.

Chapter 13

Case No.: 14-22955-rdd

**AFFIDAVIT**

**LOSS MITIGATION**

I, Alexander Moreno, do hereby swear under the penalties of perjury as follows:

1. I am the debtor in the within Chapter 13 case and make this affidavit in support of my request for loss mitigation in this Court.
2. I have read and reviewed the loss mitigation status report filed by Nationstar Mortgage dated October 13, 2015 stating that my application for loss mitigation has been inconsistent and suspect.
3. As this Court may recall, my application for loss mitigation was denied by Nationstar Mortgage due to "financial inconsistencies" determined to exist solely by Nationstar Mortgage. I was not denied due to insufficient income or some other financial reason but for what the bank states are inconsistent and suspect documentation.
4. I vehemently object to this characterization of me and my intention to nothing but truthful and honest during this loss mitigation process.
5. The bank questions my ownership interest in Edward L. Grant Corp. I state that I do not have any ownership interest in that corporation. Attached as Exhibit A is a copy of the Certificate of Incorporation of Edward L. Grant Corp. and Filing Receipt showing Merkis R. Ruiz as the incorporator. My accountant inadvertently listed me as president when I was only the manager. Attached as Exhibit B is a copy of a letter from my accountant regarding this error.
6. I did at one time have ownership interest in other corporations as shown on my prior income tax returns. However, all those business have since closed and I have no ownership interest in any corporation at this time.
7. As for my income, it is true that my income was much lower in prior years but I was promoted to general manager. In my capacity as general manager my

Pg 2 of 21

duties and responsibilities increased and my income was substantially increased as reflected in my weekly paystubs submitted to the bank and my recently filed 2014 income tax return, a copy of which is attached hereto as Exhibit C.

8. As for my paystubs, my employer issued corporate checks for my income. As the general manager I have check writing privileges and do in fact write my own paycheck each week. Subsequently, my employer hired Paychex to handle the payroll and all my checks were issued by them. The year-to-date income shown on the Paychex paystubs reflect only the income from when they started to handle the payroll. Prior to Paychex my employer issued direct paychecks to me. We now use Benefit Mall to handle our payroll account.
9. My paystubs are accurate and reflect my proper year to date income. My filed 2014 tax return reflects my income earned for that year. An amendment was made to the originally issued 2014 W-2.
10. I respectfully request that this Court allow me to move forward with my loss mitigation application with Nationstar Mortgage and demand that they negotiate in good faith with me and review my application based solely on the financial documentation provided.

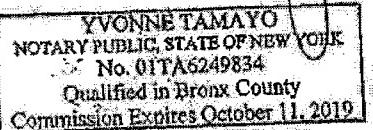

Alexander Moreno

American Servicing Company

Please consider this letter to be my explanation for the hardship financial situation that myself and my company is going through at the present time. Even though I am doing my best to manage my financial situation and trying my best to save my business from going bankrupt, I feel like I'm helpless making it through this troubled times.

Please note that I bought my house about eight (8) years ago and at that time my business was doing good. I had sufficient income every month to pay for my mortgage and other expenses. I made sure and did everything that I could to pay my mortgage on time. However, approximately two to three years ago my business had a downturn and the negative impact of the slow economy had a big effect on my business.

My business is a car wash and since it's a business that is considered to be an item of luxury, if I may say and in general, people who want to cut their bills and reduce their unnecessary expenses do not patronize my shop anymore as they used to. On several occasions I have tried to sell my house to at least save my credit and avoid going to foreclosure but even that was not possible because the value of the property is much less than the money I owe. In addition to that, the house is in need of imminent repairs. Now at this point in time, I reach out to you as my mortgage servicer and ask you for your assistance in trying to reduce my monthly payment to the minimum possible amount so that I can get myself out of this troubled financial situation and I promise you that I will be paying my monthly payment on time.

I further believe that I can put my trust in your ability to assist me in keeping my house, my American dream and hopefully with your considerate understanding I will be able to get back on track.

Anticipating your understanding response to my request.

Very truly yours,

12/13/2010

An individual turns 18 on the anniversary of the day the individual was born. For example, someone born on March 1, 1999, is considered age 18 on March 1, 2017, and, therefore, is not considered age 18 for purposes of the shared responsibility payment until April 2017.

Re: Alexander A. Moreno  
Case No 14-22955-rdd

Dear Mr. Jose:

My accountant initially issued me a 2014 W-2 Form that stated the incorrect income I received in 2014. Due to the change in my employment status in 2014, his office improperly issued the Form W-2 showing the incorrect amount of income I received as a W-2 employee. Upon learning of this mistake, a revised W-2 Form was issued by my accountant showing the correct income amount as well as a 1099 Form for 2014 for income I received prior to my employment status having been changed. These amounts are properly reflected on my filed 2014 personal income tax return.

Very truly yours,

Alexander A. Moreno

Re: Alexander A. Moreno  
Case No 14-22955-rdd

Dear Mr. Jose:

My employment status changed in 2014 from that of a 1099 employee to a W-2 wage earner employee due to my promotion to Manager of Edward L. Grant Corp. Due to this promotion, I received income in 2014 both on a 1099 basis and on a W-2 basis. This is why my 2014 income tax return reflects both types of income as reported on page 1 of my tax return.

Very truly yours,

Alexander A. Moreno

• The amount of the bill you are questioning  
• A brief explanation of why you think the bill is wrong

- If you need more information, describe the item you are unsure about.

You do not have to be very exact in your answers while we are investigating, but you are still obligated to pay the cost of your bill that was not in question. When we investigate your question, we cannot exceed your estimated amount.

**FINANCIAL CHARGES.** Although the Bank uses the Daily Balance method to calculate the finance charge on your Money-in-Overdraft Protection account (the term "OCC" or "100" refers to Overdraft Protection), the Bank calculates the Average Daily Balance in the periodic statement as used resulting for you to calculate the finance charges. The finance charge begins to accrue on the date advances and other charges posted to your account and will continue until the balance has been paid in full; compute the finance charge, multiply by Average Daily Balance times the Days in Month times the Daily Periodic Rate (as listed in the Account Summary section at the front of the statement). The Average Daily Balance is calculated by adding the balance for each day of the billing cycle, then dividing the total balance by the number of days in the Billing Cycle. The daily balance is the balance for the day after services have been added and payments or credits have been subtracted plus or minus any other adjustments that might have occurred that day. There is no grace period during which no finance charge accrues. Finance charge adjustments are made daily based on your total monthly finance charge.

#### In Case of Errors or Questions About Your Bill:

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us at P.O. Box 1577, Lewiston, Maine 04249-1577 as soon as possible. In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

**FINANCE CHARGES:** Although the Bank uses the Daily Balance method to calculate the finance charge on your MoneyOrder/Overdraft Protection account (the term "ODP" is "ODP" refers to OverDraft Protection), the Bank discloses the Average Daily Balance on the periodic statement as an easier method for you to calculate the finance charge. The finance charge begins to accrue on the date advances and other debts are posted to your account and will continue until the balance has been paid in full. To compute the finance charge, multiply the Average Daily Balance times the Days in Period times the Daily Periodic Rate (as listed in the Account Summary section on the front of the statement). The Average Daily Balance is calculated by adding the balance for each day of the billing cycle, then dividing the total balance by the number of Days in the Billing Cycle. The daily balance is the balance for the day after advances have been added and payments or credits have been deducted plus or minus any other adjustments that might have occurred that day. There is no grace period during which no finance charge accrues. Finance charge adjustments are included in your total finance charge.

**FOR CONSUMER ACCOUNTS ONLY— IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC FUNDS TRANSFERS:**  
If you need information about an electronic fund transfer or if you believe there is an error on your bank statement or receipt relating to an electronic fund transfer, telephone the bank immediately at the phone number listed on the front of your statement or write to:

**TD Bank, N.A., Deposit Operations Dept, P.O. Box 1377, Lewiston

SUMMARY

In case of Emergency Call 911

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us at P.O. Box 1277, Lewiston, Maine 04240-1277 as soon as possible. We must hear from you no later than sixty (60) days after we send you the FIRST bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- Your name and account number.
  - The dollar amount of the suspected error.
  - Describe the error and exactly what you want done to correct it.

**You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or late and no action can be taken against you.**

**FINANCE CHARGES:** Although the Bank uses the Daily Balance method to calculate the finance charge on your Moneyline overdraft Protection account (the term "ODP" or "OD" refers to Overdraft Protection), the Bank discloses the Average Daily Balance on the periodic statement as an easier method for you to calculate the finance charge. The finance charge begins to accrue on the date advances and other debits are posted to your account and will continue until the balance has been paid in full. To compute the finance charge, multiply the Average Daily Balance times the Days in Period times the Daily Periodic Rate (as listed in the Account Summary section on the front of the statement). The Average Daily Balance is calculated by adding the balance for each day of the billing cycle, then dividing the total balance by the number of days in the Billing Cycle. The daily balance is the balance for the day after advances have been added and payments or credits have been submitted plus or minus any other adjustments that might have occurred that day. There is no grace period during which no finance charge accrues. Finance charge adjustments are included in your total finance charge.
